

REMARKS

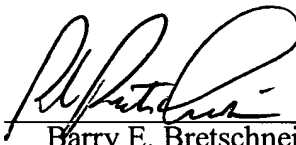

Applicant has amended the specification by inserting headings as appropriate and by revising the abstract to a form more conventional in this country. Applicant has also amended the claims to put them in better form for examination in the United States and to reduce fees by eliminating multiple dependency. No new matter has been added, nor has the claim scope been narrowed by these amendments.

Early action allowing claims 1-6 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 246472007300.
